

## At Home Project

# MAZES

*Create a maze. Use tools and materials you can find at home*

*Draw a plan. Draw a plan for your maze before you begin. What lines and shapes do you see in your plan?*

*Measure. What will you measure when making your maze?*

*Create a story. Create a setting or story for your maze. Your maze could be in a forest, the ocean or outer space.*

*Share your maze. How will you share and talk about your maze with others?*

*What else does your maze inspire you to think about or do?*
